20 Week Season

Played on 5 curling sheets, we have up to 10 teams compete once a week over 6 weeks, or our 20 week winter season at the same time either on late Saturday afternoon or Sunday morning. This is the best way to learn strategy and teamwork. Open to all levels regardless of experience. A great way to improve your curling skills.

\$90/ First League
\$110 / League
\$300 / Winter Season

Corporate Rentals

We can host up to 50 people on our 5 curling sheets anytime Line Creek has ice available, and we have volunteers able to show your group the fundamentals before playing over a 1.5 to 2 hour period. This makes curling one of the more unusual teambuilding exercises your company / organization can try. Email us your contact information at ltc@kccurling.com to see if we have a time available for you.
